

Pickering Transport Group

Branch Manager Gillman (Adelaide)

Join a dynamic team of professionals at a company with a history that spans over 60 years

The Role:

Reporting to the General Manager and Corporate Manager you will be responsible for overseeing the operations of the Pickering Transport Group Gillman branch.

Responsibilities:

- Lead, mentor and guide site based managers, supervisors and their teams.
- Ensure that all aspects of health and safety, road transport compliance and accreditations are adhered to.
- Oversee the day to day logistical activities incorporating the line haul fleet, local pickup and delivery fleet operations.
- To ensure the highest level of customer communication and service with efficient and effective operation.
- Maximise the branch's contribution to the effective and efficient operation of the broader Pickering Transport Group.
- Monitor and assess potential problem areas and co-ordinate solutions.
- Develop and implement strategies and activities to support existing and new services, to reduce costs, to improve customer service, to win new business and to increase profitable revenue.

The Ideal Candidate:

- Tertiary qualified in relevant subject/s is an advantage.
- People management is the highest prerequisite this position requires, with change management experience and proven senior leadership skills.
- Demonstrated fleet management experience and sound computer skills.
- Demonstrated operational understanding of road transport general freight, compliance obligations and health & safety requirements.
- Effective communication skills, both written and verbal.
- A can do attitude.

About us:

The Pickering Transport Group is a family business positioned as one of Australia's leading professional carriers. We provide a broad range of general, container and refrigerated road transport and distribution services for customers across Victoria, South Australia and New South Wales.

Remuneration:

An attractive salary commensurate with your skills and experience will be offered.
